SUPPORT YOUR RIDING CLUB

We are asking members if they could commit to helping at one of our events over the next twelve months. This is NOT compulsory but it is difficult to run our events without your support as both competitors and helpers. On the reverse of this form, you will find a list of the main competitions we hope to run during the 2010 season. Please indicate at least one that you are willing to support and let us know of other events you would be interested in us holding

SUPPORT YOUR RIDING CLUB

The committee is only able to run events with the generous help and support of you, the members. We also run Horse & Rider Performance Awards throughout the year.

Below you will find a table of the main competitions ***PROPOSED*** for the 2010 season; please indicate, by a tick in the right hand box, ONE event at which you are prepared to help: this will entail you giving up just “half a day” of your spare time. Dates may vary from the list below depending on venue and availability.

The organiser of the event will contact you in the weeks leading up to the event to give you full details of date, times and venue. (If no one contacts you, don't panic, it simply means we've been offered more help than needed, and we'll ask you another time.)

Obviously we appreciate that some of these events are months away and your plans may change through the coming year. We don't expect your commitment of help to be “set in stone”, but please try to pick a month when you know you're likely to have some free time. All these events will be during the day, at the weekend.

“HAVE YOUR SAY”

Are there any additional activities that you would like the club to run? Is there something we could do better? We welcome all your comments and suggestions.

**Thank you very much for your continuing support and
we wish you a happy and successful 2010 season.**
